

Alcohol and Other Drugs Withdrawal Program

Are you concerned about how much drugs or alcohol you use? Are drugs or alcohol causing problems at work, in your relationships, with your health or with the law?

We can help you with lots of things when it comes to cutting back or stopping, the key is to start small.

A Withdrawal Nurse will:

- assess your needs,
- develop a recovery plan with you,
- support you during the withdrawal, and
- link you to services which will assist you further.

If you would like assistance from us please phone:
