

Position Description

Name:		Date:	
Position Title:	Men's Behaviour Change Case Manager		
Reporting to:	Clinical Lead Family Safety		
Direct Reports:	Nil		
Budgetary Responsibilities	Nil		
Liases with Internally	Gateway Health staff members across all programs		
Liases with Externally	Sector-relevant service delivery agencies, networks, peak bodies, and partner organisations including but not limited to: community mental health services; community health services; public health services; government agencies; and education and training institutions. Department of Justice, police, courts, Department of Health and Human Services, other health and support service delivery agencies in the catchment area are some specific examples.		
Position Context	The purpose of this position is to provide intensive case management for clients of the Men's Behaviour Change Program (MBC). The MBC is designed to enhance the safety of women and children by assisting perpetrators of family violence to change their behaviour. This role involves the range of case management processes including but not limited to intake, assessments, case planning, and maintaining engagement with clients while waiting to begin the MBC Group program. The MBC Case Manager will also participate in post-group follow-up work with clients.		
Organisation Context	<p>Gateway Health is a not-for-profit Company limited by guarantee and a registered Community Health Service under the Health Services Act 1988 (VIC).</p> <p>Our Vision: People living well Our Mission: Gateway Health provides primary health care & support to all in our community & focuses on providing services to those with the highest risk of poor health Our Values: We care – We work together – We achieve – We learn – We Innovate</p> <p>These five values reflect the way we interact with consumers, our approach to service delivery and how we look after each other. Gateway Health strives for an achievement culture that encourages innovation and initiative. We build and foster strengths-based programs that focus on support and recovery. Our staff are our greatest asset. Services are delivered by over 350 staff at sites in Wodonga, Wangaratta and Myrtleford in Victoria, and through outreach services provided across North East Victoria and Southern NSW. Gateway Health services include medical practices, allied health, refugee health and sexual health; health promotion; alcohol and other drug services including home-based withdrawal; chronic disease management; Indigenous programs; aged care services including assessment; NDIS services; counselling services, family violence, men's behaviour change, Gambler's Help; and mental health programs including headspace, youth services, young parenting and family support programs. Currently, Gateway Health also delivers bushfire recovery case management support to families affected by the 2019/2020 bushfires across six LGAs, and is working with these communities to help build sustainable food systems and community resilience.</p> <p>Review of Position Descriptions This position description will be reviewed annually, during annual appraisal, when the position becomes vacant, or as deemed necessary.</p>		
Code of Conduct	<p>Employees are expected to, at all times:</p> <ul style="list-style-type: none"> • Adhere to the Gateway Health Code of Conduct including the child safe procedures • Maintain a high professional standard and work with integrity 		

- Develop collaborative working relationships
- Communicate with respect
- Maintain a client focus
- Adopt a Continuous Quality Improvement approach
- Work within legislative and compliance frameworks
